

## ISO 9001 Press Release

### Quality Award for Premier Business Audio

Following an assessment by an independent body, Premier Business Audio has been awarded ISO 9001 certification. This certification has only been achieved by about 5% of UK businesses and Premier is the only Audio Marketing organisation in Europe and the second in the World to be awarded ISO9001 accreditation. This prestigious award is supported by the Government and recognised world-wide.

A delighted Anthony Buxton; Premier's Managing Director, says "We have always been proud of the service we offer our clients and the way we conduct our business. Now with the award of ISO 9001 certification, this has been confirmed by experts who are judging standards on a daily basis in a wide variety of trades and industries."

QMS Quality Management Systems, paid particular tribute to "the investment in people and training that enables Premier Business Audio to provide an efficient service to their customers."
